

# CHAMPIONS' DAY 2020

## NOTICE 1

Date: 27th July 2021

Dear Champs & Parents,

We hope you are staying healthy and safe. In these challenging times, we are all navigating through uncertainty for ourselves, our loved ones and our community. We are committed to delivering hope and joy to children in light of current medical and public concerns.

We announced 'ALLEN Champ 2020' on 12th October, 2019; in due course, COVID pandemic hit in different parts of the world and later in India, due to which the registration/nomination was supposed to be closed in the month of March, 2020 but extended till 31st May, 2020.

The sudden strike of COVID -19 in past year 2020, the country was experiencing the world's worst outbreak resulting in the delay of the scheduled programs; the Top-10 Champions list from each class was published on 23rd December, 2020.

In view of the better health conditions we planned to organize the most awaited day, The Champions' Day 2020 which was supposed to be held on April 3rd 2021 but it was also postponed due to second wave of Covid-19 and poor health environment.

And still, the COVID-19 pandemic has caused many events across the nation to be cancelled or postponed due to government imposed restrictions of large gatherings.

However, we are making our best efforts to hold the Champions' Day 2020 in early October 2021 (tentative). But keeping the health scenario in mind at that time we will review the situation if such gathering/event is not advisable by the authorities we regret to inform you that 'The Champions' Day 2020' along with the final day activities followed by prize distribution ceremony will stand cancelled.
