Dear Champs & Parents,

Here at ALLEN we hope you have taken care of yourself and your family health during these past days and since our last notice about Champions' Day event.

As proposed in our last conversational notice on JULY' 2021.

Now, Examining the prevailing health situation across the country and the evident possibility of 3rd wave of the pandemic, the authorities have decided to shift the Champions' Day 2020 event for a few days and come up with a final date to hold the event on [11.Dec.2021] for that you will receive a cordial invitation from our side very soon along with the SOPs to follow during the event, also the policy related to travelling allowances.

However, we humbly would like to reiterate that keeping the health scenario in mind at that time we will review the situation if such gathering/event is not advisable by the authorities we regret to inform you that 'The Champions' Day 2020' along with the final day activities followed by prize distribution ceremony for this year's ALLEN Champ will stand cancelled.
